Examples Of Jim Crow Laws

Today we will examine specific Jim Crow laws to analyze their impact on daily life in the South. We will use web links to find actual examples of laws that enforced segregation.

For each of the following categories, find a specific example of a Jim Crow law. Write out the law in the space provided. Tell which state had this law. Then briefly describe what effect this law had on the daily lives of black and/or white Americans.

1. Voting	State:
